OFFERING A STOCK OF

The Great Mebellion. THE BEST WORK FOR CANVASSING AGENTS. HARPER'S PICTORIAL HISTORY

THE GREAT REBELLION

THE UNITED STATES.

Messers Hurper & Rechters have commenced the same in Numbers of a complete History of the Great Robellion in the United States. The work has been for many months in course of proparation, by a writer every way qualified for the bask.

The introduction contains a clear and succinct account of the formation set due to confederacy of the States, the formation and adoption of the Constitution of the United States, and the establishment of the National Government; the origin, development, and pre-Two Doilurs, if not paid in Advance. The URBANA UNION will be a com-The History comprises a full arcount, drawn from the most attheast to some of all the west, drawn from the most intrigues of the Southern leaders at home and abressed; the gradual defection of one section; the gradual threshold in the mailtenance of the Destinant Life and Existence; the repeterming of the National Life and Existence; the repeterming of an immense Army and Navy; and the Batrice by Land and Sen. plete Family Paper, second in merit and interest to no other country journal in i

the ings taken on the spot by artists deputed for that arrosse to accompany every division of our Army and Every facility of the command of the Publishers has been employed in the preparation and execution of this work; and they confidency believe that it will form the most trustworthy and saimable history which can be preduced of The Great Struggle far the Ameri-can Union.

MODE AND TERMS OF PUBLICATION. The work will be issued in Numbers, each consisting of 24 pages of the size of life per s Workly, printed from clear type, upon due paper, and will reducify be completed in about Termity Numbers.

The numbers will be issued of interests, if possible, of about three or futry week.

The Price of each Numbers, such contains matter equivalent to un ordinary volume, will be Twenty-fied Cents.

The lightentions in each Number are alone worth the price asked. Men out of employment, osperially SICK OR DISABLED SOLDIERS, ran find no other work so sure of ready sale and good profits. For facther particulars apply to the Publish crs. HARPER & HROTHERS.

Periodicals.

We have all the facilities in the way CRIFICAL NOTICES OF THE PRESS. The religious bound constitute of themselves all-brary of heiscellateses residing such as can not be found in the same compass in any other publication that has come under our notice.—Smood otheries. The most popular Menthly in the world.—F. T. Observes. of Presses and Printing Material, to do The most popular Massibly in the world.—N. T. Observer.

We must refer in berns of eulogy to the high tone and varied excellences of lingper's Magazines—a lowerist with a measibly circulastian of about 170.00 copies—in whose pages are to be found sense of the choicest light are greated reading of the day. We speak of this work as an evidence of the American People; and the popularity it has acquired is merited. Each Number contains fully 141 pages of reading matter, appropriately ithestened with good wood-cuts; and it combines in itself the rary monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in the dissent nation of a love of pure Heratupe.—Truckers & Guide to American Literature, Lendon.

No Magazine in Europe and America is so well known; none has ball as many readers; and we may safely say none has received so large a tribute of assimization from the cultivated classes, that delight in a healthy, diversified, singuished the day. The freshie move had a more delightful companion, as the million was categories for the day in the foremost Nagazine of the day. The freshie move had a more delightful companion, as the million amore categories in givend, than Harper's Magazine.— Methodies Protestant, Bultimore.

Terms,

The papers of permisers value which have been sublished in almost every Number render a complete set of Harper's Magazine a desirable acquisition to available neutrate library. The publishers can sup-
